**Rice Waives
 Extradition
 to Connecticut**

FORT SMITH, Ark. (AP) — John Rice Jr., 17, has waived extradition to Connecticut where he is charged with murdering four members of his family.

Connecticut authorities were to return the 17-year-old high school honor student to his hometown of New Canaan today.

He waived extradition Tuesday after being questioned for about two hours and 45 minutes by Connecticut police officers.

The officers said Rice had been advised of his rights, the warrant, and the four deaths. Little else of significance was divulged.

The youth displayed no emotion during a brief, routine hearing before Municipal Judge Lawson Cloninger of Fort Smith.

Trooper David Corker of the Connecticut State Police would not say whether officers had taken a statement from Rice during the interrogation. The officer also refused to say how Rice reacted during the questioning or whether he seemed aware that the warrant had been issued and that the four had been slain.

Police Chief Carl Beyer of Fort Smith said Rice, who had been the object of a nationwide search, walked into the Fort Smith police station Monday morning and told officers he was from Connecticut but didn't know how he got to Arkansas or why he came here.

Discusses Pollution

 DR. R.H. CHAPPELL

On a program arranged by Kiwanian Jim McKenzie, Dr. R.H. Chappell, a Pathologist, of Texarkana was the guest speaker at Tuesday's Kiwanis Club meeting.

Dr. Chappell used as his subject Air Pollution and more particularly Smoking. He began his talk by asking how many of

those present smoked; how many did not; how many had never smoked; and how many had smoked and had now quit? He singled out this latter group for special praise for having the intestinal fortitude to stop a harmful practice.

"Many have never smoked", he said, "but have accumulated some lung pollution through breathing the air in smoke filled rooms and vehicles. One can get more pollution from this source than by living in an industrial area whose atmosphere is highly contaminated by pollutants."

Dr. Chappell showed slides of cancerous tissue in various organs of the body, some of which he feels is directly connected with smoking.

Dr. Chappell said, "I don't say that smoking will give one lung cancer, emphysema, and bronchial troubles, but if one wants these diseases, I'd recommend smoking as a mighty good starting place."

Guests at Tuesday's meeting were Kiwanian George Covington of Conway, Dr. James W. Branch, and Key Clubbers Ronnie Massanelli and Tommy Frazier.

**Mercury in
 Tuna Poses
 No Hazard**

By G. C. THELEN Jr.
 Associated Press Writer
 WASHINGTON (AP) — The Food and Drug Administration says Americans can keep on eating canned tuna although excess mercury has been found in more than one of every five cans sampled.

Should housewives continue to buy all the canned tuna they want and feed it to their families?

"Absolutely," said FDA Commissioner Charles C. Edwards. "This is not a health hazard."

Edwards' advice to consumers came as he disclosed government test results showing 23 per cent of canned tuna tested so far contained poisonous mercury higher than the FDA limit of 0.5 parts per million. The most found was 1.12, or twice the government limit.

Industry is now recalling 921,600 cans with excess mercury after a check of 139 tuna lots.

FDA officials believe virtually every major tuna brand will be involved in recalls as soon as sampling is expanded during the next 30 days to include all 30,000 lots packed in 1970 for American consumption.

Edwards said the 0.5 guideline is extremely cautious and "offers a substantial margin for safety."

"I want to re-emphasize the point that given present levels of tuna consumption in this country, the relatively low levels of excess mercury content found to date, and the fact that even this excess is being removed, we are confident that the American consumer is now and will remain safe from risks of mercury poisoning," he said.

Dr. Albert C. Colbye Jr., deputy director of the FDA's bureau of foods, said a person would have to eat two cans of tainted tuna a day for a year before he would be poisoned.

**To Take Bids
 on 6 Bridge
 Projects**

LITTLE ROCK (AP) — The state Highway Commission said Tuesday it would open bids at 10 a.m. Jan. 6 on six bridge and road contracts. The projects were expected to cost about \$1.2 million.

The jobs, by county: Woodruff — Surfacing of 4.8 miles of Arkansas 306 from the Junction with Arkansas 39 eastward to the St. Francis County line.

Jefferson — Construction of a pedestrian overpass on U.S. 65 at Mulberry Street intersection in Pine Bluff.

LOGAN — Surfacing of .3 of a mile of Arkansas 23, including construction of three bridges about three miles north of Booneville.

CLEBURNE — Surfacing of 7.6 miles of Arkansas 5 northward from the White County line.

STONE — Surfacing of 1 mile of Arkansas 14, including construction of four bridges, encompassing the crossings of Mill, Condit, Wallace and Kirkland creeks.

LONOKE — Surfacing of 10 miles of Arkansas 130, including 8.6 miles northwestward from England, 2.5 miles east of England and 2.3 miles east of Humnoke.

**Panel to Study
 Constitution**

LITTLE ROCK (AP) — Gov. elect Dale Bumpers has appointed a committee to analyze the rejection of the proposed Constitution of 1970 in the Nov. 3 general election and to select three constitutional amendments that will be considered the most vital.

Bumpers has expressed disappointment with the failure of the new constitution and apparently he will ask the 1971 legislature to place the three proposed amendments on the 1972 general election ballot.

The panel will be headed by Dr. Robert A. Leflar. Leflar was president of the constitutional convention that drafted the Constitution of 1970.

tions on \$255 million earmarked for Cambodia.

Neither senator would indicate when he might permit a vote. But Senate Democratic Leader Mike Mansfield set aside some time today for continued debate before calling up an appropriations measure containing funds for the supersonic transport plane.

Adding to confusion over the Cambodian aid program was action by a House-Senate conference committee weakening yet another set of restrictions on U.S. involvement in Cambodia.

The conferees, in approving a \$66.59-billion defense money bill, barred use of U.S. combat troops in Cambodia. But they tacked on a paragraph which Mansfield said nullifies the intent.

That paragraph, included at the insistence of House conferees, says:

"Nothing contained in this section should be construed as prohibiting the President from taking action in said areas designed to promote the safe and orderly withdrawal or disengagement of U.S. forces from Southeast Asia or to aid in the release of Americans held prisoner of war."

The restraints in the aid bill, approved Monday by the Foreign Relations Committee, include a prohibition against ground combat troops and advisers in Cambodia. There is a statement that approval of aid is not a commitment to defend the country and a requirement that the President inform Congress 30 days before giving Cambodia additional emergency assistance.

The authorization bill had been expected to sail through the Senate.

**Prosecution
 Rests in
 Pruitt Trial**

CONWAY, Ark. (AP) — The prosecution rested its case Tuesday in the embezzlement trial of Robert L. Pruitt and the defense began calling witnesses in an attempt to show that State College of Arkansas issued \$100,000 in "bum checks" to students enrolled under the National Defense Scholarship Loan program.

Pruitt, former head cashier at SCA, is on trial in Circuit Court here for allegedly embezzling \$28,655 from the school during a nine-month period in 1969.

Murray Miller of Phoenix, Ariz., Pruitt's attorney, has contended that SCA's records were in such a mess that "thousands of dollars" were mishandled and high college officials are attempting to make Pruitt a scapegoat.

Bennie Horton, who has been SCA vice president for business affairs since July 1 and who was formerly SCA comptroller was the first witness cross-examined by Miller.

to Bumpers, said the draft was one of several he had prepared for Bumpers' review, but he said Bumpers has made no decision on it.

Bumpers has said he will propose legislation to the 1971 General Assembly to reorganize and merge some state agencies and eliminate others in an effort to streamline state government and make it more efficient. It is not known which agencies he proposes abolishing, but he has indicated that they would include those that now duplicate functions performed by other departments.

There are about 180 state agencies, boards and commissions.

The proposed 13 major departments, other than the Public Safety and Finance and Administration Departments, include the Departments of Planning, Economic Development, Corrections, Natural Resources, Commerce, Pollution Control and Ecology, Education, Higher Education, Health, Rehabilitation and Labor. Each would have its own director.

Among the major changes envisioned by the proposal is the merger of the Public Service and Commerce Commissions

and the Insurance and Bank Departments and the Savings and Loan Board would be under a division of finance. The Public Service and Commerce Commissions would comprise the Division of Utilities and Transportation.

The Department of Public Welfare would be made a division of the new Department of Rehabilitation. The State Hospitals and Children's Colonies, the training schools and the various rehabilitation agencies also would be divisions of the department.

The Parks, Recreation and Travel Commission, the Arkansas Industrial Development Commission and the state Office of Economic Opportunity would be in the Department of Economic Development.

Under the umbrella of the Department of Higher Education would be the Commission on Coordination of Higher Education, the state-supported universities and colleges, with their own boards, the junior colleges and the Educational Television, Library and Archeological Commissions.

CHRISTMAS PARTY

C.W.F. of First Christian Church met at the Heritage House Monday night for their Christmas party and dinner.

The dinner was served on a long table centered with rows of red candles and holly. Mrs. E.W. Graham voiced the invocation. A delicious dinner was served to 29. The group went into the living room for the program before a beautiful lighted Christmas tree and a Madonna on the mantle placed before a mirror lighted with tiny angel lights.

Mrs. F.R. Moses president of the society introduced the new members and Christmas carols were sung. Mrs. Pete Shields had charge of the program. The theme of which was, "The Shepherd and Wise Men Were Expecting and the Innkeeper Was Not." A gift was made to the N.B.A.

CIRCLE CHRISTMAS PARTY

From the carolers spotlighted in a front window to the many kinds of candles seen throughout the home, light was the theme of Christmas decorations at the LaGrone Williams home, when Circle 5, WSCS, met there for a Christmas party on Monday night, December 13. Hostesses were Mrs. Williams, Mrs. H.I. Townsend, Mrs. H.E. Patterson, Mrs. Lee Still, and Mrs. Charles Burch.

A guest speaker, Mrs. Tom Watson, presented a program called The Efficiency of Gladness in which she named the sources of joy and asked "Have you heard the Good News?" She concluded an inspirational program with a poem, "The Joy of Gladness."

Circle chairman Mary Anita Laseter presided over a short business meeting during which a donation to the Arkansas Methodist Children's Home was made in the name of the entire Circle. Mrs. Steven Bader, WSCS President, was a guest, and she announced the WSCS and Wesleyan Service Guild combined meeting is scheduled for Sunday afternoon, January 10. The 16 members of the Circle were joined by four guests at the Christmas meeting. Mrs. Watson, Mrs. Bader, Mrs. Johnny Burke and Mrs. Greer Bell. Mrs. Burke played the piano while the group sang Christmas carols. Then, Mrs. Calvin Smith, dressed in red, dispensed Christmas gifts from beneath a lighted tree.

During the refreshment hour, all were invited into the dining room, where the table was covered in red and centered with electric candles. Red fruit punch, party sandwiches, cookies, nuts and candy were served. After a period of fellowship, all joined hands in a Friendship Circle for a concluding prayer.

HELEN HELP US!

by Helen Bottel

SEPARATION MAY BE SOLUTION

Dear Helen:

It's a terrible thing to say, and I didn't think I could ever say it, but I can't help despising a child I must raise.

Jimmy is my nine-year-old stepson. He has two sisters, and I love them as much as I love my own six children. I've been a foster mother all my adult life - until my very happy second marriage three years ago. Never have I found a child I couldn't reach until Jimmy came along.

He's an A student, but at home you can't believe the trouble he causes. He hates me, and Lord knows why, for I loved him just as I love all the others - until he shut me out. If it was little-boy meanness I could cope, but this is planned cruelty. It's like he was lying in wait for me, putting everything I do or say in the wrong light, defying me, loathing me.

I've tried to understand that he resents me, but why? He doesn't want to live with his mother. It's like he insists on staying here just so he can kill me by inches. I know this sounds crazy, talking about a nine-year-old as an adversary, but if you could see it, you'd believe it.

Jimmy doesn't get along with his father either. So I'm in a

double bind - trying to "protect" a boy I can't stand. I love my husband. Our family would be very happy if Jim weren't here, and for that reason I can't suggest that he leave. It would seem selfish. You see, his real mother was once judged incompetent to care for her children. Now she is married again and supposedly recovered, but...is she? She wants a second chance with her children.

Would it be such a terrible thing if I insisted that Jimmy go to "visit" his mother? With the idea that the visit would be permanent? He'll put up an awful fight, and I'm afraid my husband won't consent. -- DEFEATED

Dear Defeated:

A "visit" with his real mother might be the turning point for Jimmy. By all means, suggest it to his father.

I'd suggest also that Jimmy receive qualified counseling. The "hate" you say is destroying you can easily destroy this bright and twisted boy unless he receives help fast. -- H.

Dear Helen:

Here are a few hints for women who have retired husbands at home - how to prolong their lives, while shortening yours!

Patience is the key word. You must wake early, get dressed

quick, looking like Lana Turner, have his holiness' breakfast ready like Mary Poppins.

After his three-hour repast--relaxing with the paper at the breakfast table -- you are asked, "When's lunch?" Meanwhile, you've managed one boiled egg for yourself.

You can divert food thoughts a bit by handing him his electric shaver. Then pour him more coffee, poor dear, because he's exhausted.

If you ask him to burn the papers or empty the garbage, you'd better have them ready by the door, so he won't expend extra energy. Oh, the grumbling -- "Can't you ever give me a minute to myself?"

Next, lunch, a nice hot meal -- a sandwich gives him heartburn. Then on to TV as he can't miss his programs. Don't disturb him -- he's busy! (Snoring!!)

If you ask him to lift anything, he'll "get a hernia." He has "ailments" that won't quit, but no sympathy for your "imagined" pains. So apply coffee and cigarettes at one-hour intervals and let him rest! But no -- he's bored, so call a crony for a cribbage game with his holiness. More coffee and cake. Suddenly, he's changed from sour old grandpa to "mine host," who regales the company with talk of how his wife nags him. (Everybody is supposed to laugh.)

Well, his serenity has enjoyed another day, complete with hot supper, more TV, while you wash dishes and compare reality to the retirement (trips, mutual hobbies, shared work) you dreamed of. If these are the golden years -- they're fool's gold! -- SLOWLY DYING

Dear S.D.: Retirement needn't be drudgery or boredom -- it's what you both make it. Haven't you thrown in the towel too soon? -- H.

P.S. Let's hear it from other retirees. Maybe you can show "Slowly Dying" how to live. -- H.

PARTY HONORS BRIDE-ELECT

Rice bags tied with red and green were made by friends of Miss Debbie Watson at a party for the popular bride-elect of Bob Bledsoe on Saturday, December 12 in the home of Mrs. A.R. Trout with Mrs. J.O. Luck, Mrs. Carter Russell, and Mrs. Bruce Palmer of Magnolia, co-hostesses.

Attired in a red and black pant suit, the honoree had a red carnation corsage, as did her mother, Mrs. Bill Watson.

The serving table was overlaid with a green lace cloth and centered with holly and candles. Doughnuts, cookies, coffee and cold drinks were served for refreshments.

The hostesses presented Miss Watson a gift of silver.

TEA FOR BRIDE-ELECT

On Thursday, December 10 a tea in the Ernest Latcham home was given in honor of Miss Debbie Watson, who will become the bride of Bob Bledsoe of Pine Bluff on December 18. Hostesses were Mesdames Latcham, Cecil O'Steen, Bob Westbrook, James Connelly, Hendrix Spraggins, W.H. Gunter, Jr., M.S. Bates, Tom Watson, Jewel Moore, Jr., Frank King and Homer Beyerley.

Miss Watson was attired in a white crepe dress fashioned on Empire lines and her corsage was of red camellias. Mrs. Latcham received the guests at the door and introduced them to Miss Watson; her mother, Mrs. Bill Watson; her fiancée's mother, Mrs. Doyle Bledsoe of Pine Bluff; and the groom-elect's sister, Mrs. Stan Owen of Arkadelphia.

The pretty home was further enhanced with attractive decorations at points of interest. In the dining room the table was covered with a floor length cloth of satin and organdy. Red and white carnations formed the centerpiece. The hostesses alternated in serving the raspberry frosted punch, coffee,

cakes, nuts and mints. Miss Donna Connelly presided at the guest book.

A gift of appliances was presented to the honoree by the hostesses. About called during the appointed hours.

Bobcats Win, Girls Lose at Prescott

By BILL MOORE
Star Sports Writer

Last night at Prescott, the Hope Bobcats won a 72-46 decision over the Curley Wolves, while earlier the Ladycats lost a last second 57-56 heartbreaker.

This victory raises the Bobcats early season record to 5-3, while the Ladycats dropped to 3-4, but one must remember there is still a long way to go.

On Friday, the Ladycats, B-Bruins, and Kittycats will host Emmet, and the day before, on Thursday, the Bobkittens travel to Texarkana for the Jefferson Avenue Tournament.

In the first game, the Ladycats took the tipoff and immediately scored on a basket by Betty Rodden, who then scored four more points to give Hope a 6-3 lead with 5:14 left to play.

However, the Wolverettes tied the game up at 6 all with 4:05 to go, and then on various shots took a 17-13 lead going into the second period of play.

Once again the Ladycats received the tipoff and this time it was Janet McCain who ripped the net for the initial points of the quarter. After McCain connected again, the score was knotted at 17 all, the first of six ties in the quarter.

With the score now see-sawing for the next two and one half minutes, Prescott finally pushed out to a 25-22 lead but with 2:01 left in the half, Dee Singleton sunk her second two pointer and Rodden followed with a pair of free throws for a 26-25 Ladycat lead.

Not able to score again, the Ladycats fell behind 29-26 at halftime, after Prescott hit two pairs of charity shots within a minute.

Immediately after taking the third quarter tipoff, Singleton hit two free throws to pull Hope back within one, but some fairly cold shooting left the Ladycats trailing 38-32 with 2:31 left in the period. Only two free shots by Singleton and one by Rodden were made the rest of the quarter as the scoreboard told that Hope was trailing, 42-35.

Now beginning to move, McCain hit the opening basket, and then combined with Rodden for nine straight free throws and a 46-42 Ladycat lead, with 4:41 left to play.

With 1:49 remaining, and leading 52-49, Hope called a time out to figure out their strategy, but once in play, Prescott quickly snatched the lead back, 53-52, and scoring point for point the last minute, hung on to win.

Guards seeing action and playing a fine game were Cindy Hollis, Betty Honeycutt, Janice Hobson, Judy Reyenga, Sandra Hamilton, and Renee Quillin.

Leading scorers for Hope were Rodden getting 30, Singleton hitting 13, and McCain scoring 11, while Nancy Lavender had 37 for Prescott.

In the second game, the Bobcats almost completely dominated play, using turnovers and wild shooting to add to their score.

Starting out in fine fashion, the Bobcats rolled up a quick 7-0 lead, using the shooting of John Dudley, and later after Steve Harris hit a two pointer with 3:57 left, Hope led 12-3.

Opening their lead to 16-6, the Bobcats were hitting from everywhere, and later carried a 22-10 lead into the second period.

With Hope hitting five of the first six baskets of the period and taking a 32-12 lead, Buddy Ingram and Lynn Norton connected and after Parker Powell hit two field goals in less than 30 seconds before the half, Hope carried a halftime, 41-20, lead

Mexicans Turning to U.S. Football

MEXICO CITY (AP) — Don't laugh. It might not be as famous as the Rose Bowl but the stadium is there waiting with 118,000 seats and the promoters know what happened last Saturday.

The occasion will be the annual Aztec Bowl this Saturday at Mexico City's Aztec Stadium between the Mexican University All Stars and Mesabi State Junior College of Minnesota. Kick-off time is 5 p.m., EST.

That Mexico still has a bowl game—and that it is being played in such a huge stadium for the first time—indicates just how big a jump football American has taken in this country in the past four years.

Mexicans, the book says, are crazy about soccer football. This was where the World Cup of soccer was held last June, where cheering, screaming, hysterical fans jammed Aztec stadium of the game between Italy and Brazil which determined the king of world soccer.

That game on June 21 was the last time Aztec Stadium has been full. Until this past Saturday.

On that day the University of Mexico met Polytechnic University to determine the Mexican champions. The house was full—people fought outside to get standing room only tickets.

And the game was American football. The attendance, of course, caught the eye of several Mexican newspapers and led one columnist to again attack the organizers of soccer football in Mexico. He pointed out that an important First Division soccer game was being played on the same day at the Olympic Stadium and less than 30,000 people showed up.

This proves, he said, that what Mexicans like is a spectacle—a sport with action, a sport where there is drama. And, he said, the kind of soccer being played in Mexico's First Division now has neither.

American football has been played here in organized leagues for more than 20 years but it has not been until the past four years that it has attained a widespread popularity. This is due, in large measure, to a Mexican television executive and an American advertising man who both love U.S. football.

They arranged to bring into Mexico City, live coverage of a few games of the Dallas Cowboys in 1967. Advertising response and audience interest were so high that they expanded their plans and that first season Mexicans got to see a total of 22 pro games, including the playoffs and the Super Bowl.

Kentucky State Heads College Poll

Kentucky State is the No. 1 team in the first weekly Associated Press College Division basketball poll released today.

State, winners of the National Association of Intercollegiate Athletics tournament last March, amassed 175 points and half of the 14 first place ballots cast by a panel of sports writers and broadcasters from across the country.

Stephen F. Austin, college division champion last year, was second with 131 points, outdistancing Ashland.

Howard Payne, Philadelphia Textile, Oral Roberts, Cheyney State, Eastern New Mexico, Louisiana State at New Orleans and Puget Sound completed the Top Ten teams.

Here are the Top Twenty College Division teams with total points computed on a 20-18-16-14-12-10-9-etc. basis. First place votes are in parentheses.

Knicks Just Keep on Winning

By HERSCHEL NISSENSON

Associated Press Sports Writer
NEW YORK (AP) — There's a world of difference between the champion New York Knicks and the hapless Cleveland Cavaliers, but Coach Bill Fitch complains that other National Basketball Association teams "get up for us just like they do for the Knicks."

After all, he says, "Who wants to be the first established club to lose to us?"

The Knicks don't, although it was hard to tell during Tuesday night's lethargic first period, which ended with Cleveland on top 23-22. Then, Walt Frazier, Dave Stallworth and Mike Riordan combined for a 15-2 burst to start the second period and the Knicks were off and running to a 110-92 triumph.

Elsewhere in the NBA, Buffalo nipped Los Angeles 113-111 in overtime, Chicago trimmed Baltimore 115-97, Philadelphia trounced San Diego 122-98, San Francisco defeated Phoenix 129-123 and Detroit beat Portland 111-103.

In the American Basketball Association, Denver defeated Carolina 126-116 and Memphis shaded Texas 146-141 in overtime.

Cleveland's loss to the Knicks was the fifth in a row and 32nd in 34 starts for the first-year expansion team. The Cavaliers have already had losing streaks of 15 and 12 games and have beaten only their expansion brethren, Portland and Buffalo.

"I'm not an optimist even when I've got more bullets than the other guy," said Fitch. "But we went to Milwaukee to play the Bucks and the weather was so bad only one plane got there all day ... ours."

"I've been preaching ball-handling, that there's no way to get in trouble defensively if we have the ball. So last week against Portland we win the tap and Johnny Warren lays the ball in the wrong basket. Most teams hold up one finger to indicate a set play. We do it to point which direction we're going."

Despite New York's 15-2 spurt, the Cavaliers stayed within range until the Knicks ran off 15 consecutive points late in the third period for an 81-57 bulge.

"Our games are all like instant replays," Fitch said. "It's the same script we've been following. We play people pretty even for a while and then we have one or two bad spells. If we could get someone to go for 30-minute games in this league we'd be tougher than hell."

"I'm going to be the world's worst coach this year, but I've got to make damn sure I'm not the world's worst teacher. We've got to stay with it and hope things get turned around."

George Wilson's basket with one second left in overtime enabled Buffalo to nip Los Angeles. Led by Wilson and Bob Kauffman, who took scoring honors with 34 points, the Braves wiped out a seven-point deficit in the final 70 seconds of overtime before Wilson's 30-foot winner swished through as the buzzer sounded.

The Lakers, who trailed by 18 points in the first period, needed a 10-2 burst in the final five minutes of regulation play to force the overtime.

Philadelphia built an early 19-point bulge, held off a third-period San Diego rally and trimmed the Rockets as Jim Washington scored 20 points and Billy Cunningham and Fred Foster 19 each.

Bob Love, in trouble with five personal fouls, sparked a six-minute outburst in the final quarter that enabled Chicago to pull away from Baltimore. The Bulls broke away from an 88-87 lead with a 16-1 eruption for their fifth straight victory. Love was high man with 37 points and

After 16 ties, Fritz Williams, Jeff Mullins and Nick Jones helped San Francisco build a 13-point lead early in the fourth period and that proved too much for Phoenix to overcome. Jerry Lucas led the winners with 26 points and Mullins had 24.

Dave Bing collected 17 points in the third period as Detroit broke open a close game with Portland. A 13-5 spurt enabled the Pistons to pull safely ahead.

Jimmy Walker topped Detroit with 27 points and Bob Lanier contributed 25-15 in the second quarter. Jim Barnett was high for the Trail Blazers with 20.

Mississippi Player Hits 57 Points

By TED MEIER

Associated Press Sports Writer
Johnny Neumann of Mississippi has stamped himself as a likely contender for the 1971 college basketball individual scoring championship along with Austin Carr of Notre Dame and Artis Gilmore of Jacksonville.

Neumann, a 6-foot-6 sophomore, scored 57 points, the highest individual single game performance of the young season, in leading the Rebels to a 109-100 victory over Southern Mississippi Tuesday night.

Carr, a 6-3 senior, tossed in 54 points in a losing cause as the Irish fell before Indiana 106-103. Gilmore, a 7-2 giant, didn't play, but his 50 points against Biscayne on Dec. 1 ranked as the highest one game output until Neumann and Carr broke loose.

Neumann got his 57 points on 20 field goals and 17-of-18 free throws. Carr threw in 21 field goals and 12-of-14 free throws for his 54.

A turnout of 11,343 at South Bend watched the nationally seventh-ranked Irish fall before the 13th-ranked Hoosiers led by the combined 58-point production of Joby Wright and George McGinnis.

McGinnis and Wright, both 6-7, scored 23 points each as the Hoosiers, down by 10 points at halftime, 53-43, rallied to go ahead by nine points, then survived a closing Notre Dame surge.

North Carolina, No. 20 and the only other team in The Associated Press Top Twenty to see action, snapped Virginia's six-game winning streak, 80-75. Dennis Wuyck led the Tar Heels with 30 points.

Ed Ratleff scored 33 points to lead Long Beach State over Chicago Loyola 84-81 in overtime and Tom Window's layup in the closing seconds gave Kent State a 64-62 triumph over Purdue.

Craig Love's 12-foot jumper with six seconds left accounted for Ohio University's 81-80 victory over Wisconsin. Russell Lee's 39 points led Marshall over Morehead 73-70.

St. John's of New York downed Rhode Island 75-71, Massachusetts overcame Connecticut 74-68, Duke routed Virginia Tech 104-75, Davidson trampled Richmond 67-54 and Manhattan shaded Fairleigh Dickinson 70-68.

Two More Are Named to Silver Team

NEW YORK (AP) — Bill Russell and George Mikan have been named centers on the National Basketball Association's silver anniversary team.

Russell, who led the Boston Celtics to 11 NBA titles before retiring in 1969, was the only unanimous choice for the team in the voting by a panel of experts. He is the league's all-time rebounding leader with a total of 21,721.

Mikan, a 6-10 strongman, was the NBA's first great pivot man and led the Minneapolis Lakers to five titles in six seasons from 1949 to 1954.

Russell and Mikan join forwards Dolph Schayes, Paul Arizin, Bob Pettit and Joe Fulks who were named earlier. The guards will be announced Friday.

BANGKOK (AP) — Asian athletes showed their progress over the last four years, breaking 21 Asian Games records and tying one in 35 events in six days of track and field competition ending Tuesday.

Two events were new to the Games, held every four years since 1951, and the performances in these automatically became records.

Redlegs Trade Their Top Hurler

CINCINNATI (AP)—The Cincinnati Reds have traded their top hurler of the 1960s, Jim Maloney, to California in their second major deal with the Angels since late in 1969.

The Reds exchanged the 11-year veteran for 22-year-old left-hander Greg Garrett who registered a 5-6 record and 2.64 earned run average in 32 games in his first major league season in 1970.

Maloney, a fireballing right-hander, pitched three no-hitters, and posted a 134-81 mark and 3.20 ERA since joining the Reds in 1960. He was the only remaining member of the Reds team which won the 1961 National League pennant.

Suffering a ruptured Achilles tendon in an ankle early last year, Maloney only worked 17 innings the entire season. In years before, he was occasionally bothered by arm trouble and missed games.

In the Reds' other trade with California, Cincinnati dealt slugger outfielder Alex Johnson and infielder Chico Ruiz for pitchers Jim McGlothlin, Vern Geisler and Pedro Borbon.

Besides the no-hitters, Maloney tossed five one-hit games and nine two-hitters. Maloney, who holds the team record for total strikeouts with 1,592, enjoyed his best year in 1963 when he posted a 23-7 record with a 2.77 ERA and 265 strikeouts in 250 innings.

Garrett, like Maloney, has already established himself as a strikeout pitcher. In four years of professional baseball, including last year, he has fanned 454 batters in 405 innings. He was originally signed by the San Francisco Giants and played in their farm system.

Harding Is Beaten by A&M's Mobley

SEARCY, Ark. (AP)—Ricky Mobley dumped in 35 points to lead all scorers as Arkansas A&M defeated Harding College 81-74 in an AIC basketball game here Tuesday night.

A&M led 72-70 with two minutes remaining in the game but Mobleys hot shooting from the field along with four free throws iced the victory. A&M led at the half, 42-41.

Freddy Dixon was the leading scorer for Harding with 21.

Shot Player to Undergo Operation

PHILADELPHIA (AP) — Doctors treating Nate Ramsey, the Philadelphia Eagles defensive back who was wounded Monday, say they will operate to remove the bullet from Ramsey's chest.

A spokesman for the Eagles said Tuesday the operation would come after the wound heals—in ten days to two weeks. Ramsey was out of danger, but still hospitalized in satisfactory condition.

A municipal judge has issued a warrant charging Jimmie Louis Harrison, 35, with shooting Ramsey as the Eagles' defensive captain walked along a West Philadelphia street on the way to have a beer with a friend.

Police said Ramsey told them a man approached him and said, "I'm going to kill you."

"What do you mean?" Ramsey said he asked.

"I'll kill you," the man replied.

The assailant then shot three times. One of the bullets hit Ramsey, and another ricocheted off the sidewalk and nicked an 11-year-old girl who was walking home from school. Her wound did not require hospitalization.

Police have not been able to establish a motive for the shooting.

Donald E. Rause, principal of an elementary school, said there had been four shootings in four months in the area, and children from his school had witnessed each one of the incidents.

NEW YORK (AP) — The New York State harness racing season ended Tuesday night at Roosevelt Raceway in Westbury where a turnout of 24,600 bet \$3,118,346.

The State Harness Racing Commission said this made attendance for the year at the state's nine tracks 9,361,110 and wagering \$843,711,053, both records. Estimated revenue to New York State was \$84,368,242.

Lions Club Speaker

—Frank King photo with Star camera

REV. GERALD TRUSSELL

The Rev. Gerald Trussell, pastor of First Baptist Church of Hope, was speaker at the weekly Lions luncheon Monday at Town & Country.

The Rev. Mr. Trussell told the stories of the births of two babies and the affect these births had on the people around them. The first was a Bret Harte story, "The Miracle at Roaring Camp" in which the birth of a baby to the only woman in a rough mining camp changed men's lives when they accepted the responsibility of caring for the baby when the mother died. First they cleaned up their surroundings, then their persons and finally their behavior.

As a parallel, but in far greater proportion Mr. Trussell read the account of the birth of Christ from the Bible and pointed out the affects of Christ's birth throughout the world for the past 1,900 years. In this Christmastime message the speaker reminded those present not to get carried away with commercialism, fun, involving alcohol, which sometimes leads to accidents and sorrow, but to keep the true meaning of the birth of Christ which means honoring

him on his birthday. Lion Don Freel arranged the program. Plans were discussed on distribution of Christmas baskets made possible by the annual Christmas Auction. There will be no meeting on December 21.

Greatest Hitters

The greatest baseball hitters of all time have generally been third in their team's batting order, such as Ty Cobb, Babe Ruth, Rogers Hornsby, Eddie Collins and George Sisler, according to Encyclopaedia Britannica.

Linebackers of Cowboys Are Honored

By DICK COUCH

Associated Press Sports Writer
NEW YORK (AP) — Chuck Howley and Dave Edwards, a pair of outsiders in Dallas' Domsday Defense, kept the Cowboys inside the National Football League title picture last weekend by pinching the Cleveland Browns where it hurt the most.

Howley and Edwards each accounted for two key turnovers in a 6-2 victory over the Browns Saturday that sent Dallas into the final week of regular season play with a solid shot at its division championship.

Today, the Cowboys' rugged outside linebackers were named co-winners of the NFL Defensive Player of the Week award by The Associated Press.

Howley, a 12-year NFL veteran who has represented the Cowboys in five consecutive Pro Bowl All-Star games, twice killed deep Cleveland penetrations in the bruising defensive struggle.

The mobile, 225-pound belter from West Virginia teamed with cornerback Mel Renfro to throw Bo Scott for a three-yard loss on a fourth-down, short-yardage play from the Dallas 11 late in the first half. Then he recovered Gary Collins' fumble in the end zone to blunt a fourth-quarter drive and preserve the Cowboys' slim lead.

The first play, which came with Dallas trailing 2-0, was a turning point, according to Cow-

boys' Coach Tom Landry. "We gained the psychological advantage," he said. "That play could have broken us down and given them the momentum and advantage."

Edwards, a 228-pounder from Auburn in his eighth year with the Cowboys, ended Cleveland's last threat by picking off a Bill Nelsen pass on his 25-yard line for his second interception of the game.

He made his first theft at the Browns' 38 in the opening quarter, but the Dallas offense was unable to cash in.

HOUSTON (AP) — Only about 100 reserved seats remained for the Astro-Bluebonnet Bowl football game between Alabama and Oklahoma New Year's eve, the Astro dome announced.

DALLAS (AP) — The Dallas Cowboys were authorized to accept mail orders for a possible division playoff game in the Cotton Bowl by Commissioner Pete Rozelle of the National Football League Tuesday.

2 Young Lions Honored for Their Play

LOS ANGELES (AP) — The two young Lions of Detroit, quarterback Greg Landry and running back Steve Owens, were thinking ahead when they learned they had been selected by The Associated Press as offensive Players of the Week in the National Football League.

Both were still jubilant over Detroit's 28-23 upset of the Los Angeles Rams Monday night. But they left the impression their thoughts were centered now on Sunday when the Lions host the Green Bay Packers in another "must" triumph if Detroit is to remain in the NFL playoff picture.

Landry, the 23-year-old 6-foot-4 205-pounder from Massachusetts, whose arm and running techniques ushered Detroit into contention, added:

"It's a great honor, I know, but actually I was only a part of a whole team win over the Rams. We had to have it, just as we do against the Packers."

Coach Joe Schmidt kept the team here for weather reasons to prepare for Green Bay.

Landry connected successfully on 16-of-23 passes for 198 yards and one touchdown in the Ram game. He also rushed for 49 yards, including one for 22 that set up a key touchdown in the final minutes.

Owens replaced Mel Farr early in the first period when the regular went out with a shoulder injury. He carried for 66 yards and two touchdowns.

"Mel Farr is one of the best I've ever seen," Owens continued. "I know it will be tough replacing him but you have to have confidence to go in and play this game. If I'm needed, I'll be there."

It is still not known when Farr will be ready to resume play.

Farr was flown back to Detroit Tuesday. Reports indicated the ex-UCLA star might not be away too long.

Pass Catcher Goes Before Grand Jury

DALLAS (AP) — Lance Rentzel, Dallas Cowboys football player, appeared before the Dallas County grand jury Tuesday to answer charges of indecent exposure involving a 10-year-old girl.

Rentzel's attorney said the star pass receiver waived an examining trial originally set for Thursday in Justice of the Peace Robert Cole's court and appeared directly before the grand jury.

The 27-year-old football player currently is free on \$1,500 bond after being charged with the felony offense on Nov. 30.

Rentzel appeared before the grand jury for about 10 minutes and would make no comment to the newsmen when he emerged.

A California neurological surgeon, Dr. Sanford Rothenburg of Beverly Hills, also testified.

The young girl whose complaint led to the charges went before the jury earlier.

Court sources said it may be January before the panel acts on the case.

Hom Backfield Coach Visits Rice Campus

HOUSTON (AP) — Emory Bellard, offensive backfield coach at the University of Texas, spent a day and a half on the Rice campus being interviewed for the head coaching job.

Bellard, 43, who played a major role in developing the Wishbone-T offense at Texas, spent all of Monday and half of Tuesday at Rice. He was invited by a member of an advisory committee which answers to the Rice president, Dr. Norman Hackerman.

The chairman, who preferred to remain anonymous, said Bellard is the first of several candidates who will be interviewed. He said no "big name" coaches have been on the campus for interviews so far.

It will be "eight to 10 days, maybe longer," he said on being asked when Rice would be ready to name a coach to replace Bo Hagan, who has resigned as head football coach and athletic director.

Bellard joined Darrell Royal's staff at Texas after he coached San Angelo to the state Class AAAA schoolboy title in 1966. Before that he coached championship teams at Ingleside and Breckenridge.

In 15 years of prep coaching, his teams won 11 district championships. His career record as a head coach is 136-37-4.

Prison Report Discounts Staged Uprising

LITTLE ROCK, Ark. (AP)—State Police Director Ralph Scott said Monday there was talk among inmates that a Nov. 2 uprising at Cummins Prison Farm was "staged." A State Police report, however, failed to substantiate the allegation.

Scott also said that Correction Commissioner Robert Sarver made individual agreements with eight convicts during the Nov. 2 prison escape attempt, but added he did not know whether he would call them "deals."

Asked at a meeting of the Arkansas Legislative Council whether Sarver made "deals" with the inmates, Scott said, "You might run into a problem of semantics of whether they were deals, arrangements or negotiations."

The convicts took two civilian guards and two trustys hostage in the Cummins isolation unit, threatening to kill them unless the inmates were given a car, gasoline and time to escape the prison.

Sarver and Cummins Prison Supt. Bill Steed made themselves hostages of the inmates, in exchange for the freedom of two or the four hostages, during a seven-hour period in which they talked the inmates into giving up their escape demand.

According to the State Police report, inmate requests to which Sarver agreed included assignment to certain prison jobs, restoration of good time and assignment from the isolation unit to the prison population.

The report quoted Randy Arnold, described by Scott as a "key man" in the escape attempt, as saying that the incident was staged at the request of prison security chief Thomas I. Pirtle and that Sarver and Steed were not actually held hostage "and had not cause to be apprehensive."

The report said Arnold refused to take a lie detector test about his statement and "no item of information subject to verification corroborates his allegations." The report said Pirtle, Steed and Sarver denied Arnold's charge.

Sarver has not been available for comment since Scott appeared before the council.

The State Police report will be turned over to Prosecutor Joe Holmes of Pine Bluff so that he may take criminal action against the inmates if he wishes. Sarver has said he plans to take no disciplinary action.

The report said nine inmates were involved in the escape attempt, but that one, Danny Hodges, played no active role and made no request of Sarver.

The State Police said the inmates, working intermittently over a 12-day period, cut a hole in the ceiling of their cell in the isolation unit with hacksaw blades. Scott said it was reported that they used toothpaste to muffle the sound. The report said their plan was to overpower their guards, seize hostages and flee out a rear door.

Scott said, however, the inmates, armed with two .38-caliber pistols, failed to obtain a key to unlock the door and remained in the isolation unit.

"Since there was no alternate plan, the incidents that occurred from that time and throughout the remainder of that day were based on spontaneous decisions of the involved inmates," the report said.

The report said that among the requests granted by Sarver were medical attention and restoration of good time, agreed to previously but never given, for Robert Courtney.

Other requests granted, the report said, were the assignment of Donald Raines to kitchen duty, and the assignment of Carlton Carney as a floor walker in the barracks for newly arrived inmates.

Arnold, who had been held in the isolation unit since June 10 for "administrative security," asked that he be returned to the prison population and be assigned a job of building tender. The request was granted, the report said.

Also granted, the report said, were the requests of Erskine Wilbert Russell, Marvin Thomas Russell and Tommy Hilderbrandt to Tucker Intermediate Reformatory. The report said the Russell brothers had been in isolation since Aug. 26 for administrative security.

The report said that after the near riot Nov. 21 at Cummins, Raines, Carney and Arnold were stripped of their jobs and placed in the long line.

Laird to Try to Speed Up Withdrawals

By FRED S. HOFFMAN
AP Military Writer

WASHINGTON (AP) — Secretary of Defense Melvin R. Laird will explore ways to accelerate the withdrawal of U.S. troops when he visits Vietnam next month, sources say.

Pentagon officials say cutting the current U.S. troop strength of about 343,000 in half during the coming year is a reasonable goal.

At that level, the United States might need only volunteers in Southeast Asia.

Laird's public position, as he told a news conference Tuesday, is to "meet or beat" a troop ceiling objective of 284,000 by next May 1, as set by President Nixon.

The defense secretary refuses to project beyond that date, but according to every indicator he is anxious for a faster pace.

After an expected lull in withdrawals for a couple of months as insurance against a possible enemy lunar new year offensive, the pullout pace is likely to speed up again.

Pentagon authorities now forecast that the U.S. troop level by next May 1 may be down as low as 275,000—or 9,000 under Nixon's stated objective.

The U.S. ground combat role is due to end by then, and the drive to turn over to the South Vietnamese the more complex air and logistics support functions will accelerate.

Even as the reduction of U.S. combat activities and casualties has claimed most public attention, the United States has been working to prepare the South Vietnamese for the support role.

Training in such fields as aircraft and helicopter operations, aircraft and weapons maintenance, and other technical tasks, takes longer than conventional infantry and artillery instruction.

It is in these technical areas that Laird hopes to spur a speedup.

Pentagon officials expect no serious opposition from U.S. military leaders in Saigon. What the South Vietnamese reaction may be to such prodding is open to question.

Defense planners aim to pare the U.S. presence in Vietnam to an advisory force of about 40,000 men by the summer of 1972. At the peak of U.S. involvement, the United States had a total of 543,400 uniformed men in Vietnam on April 30, 1969.

How long an advisory force would remain in Vietnam could hinge on whether and when the United States and North Vietnam reach a political settlement of the war.

Major Reorganization of State Government Proposed by Bumpers

Agnew Defends His Campaign Methods

By WALTER R. MEARS
Associated Press Writer
SUN VALLEY, Idaho (AP) —

Defying his Republican critics, Vice President Spiro T. Agnew has declared that the only way to have an election is to divide the voters and the only way to campaign against entrenched politicians is to attack.

Agnew invited Republican governors to debate politics with him today at a private breakfast session, and to persuade him if they can that the administration erred in its 1970 campaign strategy.

But the vice president said he is convinced there was no mistake in his campaign course.

"I've come here in this time of trial and tribulation to consult with my brothers and, if necessary, to debate with them," Agnew said Tuesday night at a banquet which was to have ended the Republican Governors Conference.

Seventeen governors were expected today at the breakfast meeting, arranged at the last minute.

Agnew said at the banquet that if the governors convince him the administration should change its political strategy, he would plead their cause when he returns to Washington.

But he made a heated defense of his campaigning.

"During Campaign '70 we divided along traditional adversary lines, and that's our free system," Agnew said. "You know, nothing was more unreasonable to me than the cries of 'Mr. Vice President, you're dividing the country.' What is an election if it's not an attempt to divide the voters of the country between two or three candidates who may be seeking an office?"

As for complaints about the tone and style of his campaign, Agnew said:

"When you have to fight the establishment or an in-group, there's only one way—attack. And we attacked, we think constructively. Everything we said was certainly not negative."

With that, Agnew appealed for unity among winners, losers, Democrats and Republicans.

However, the conference has been marked by complaints about the administration and the campaign and Agnew's defense seemed certain to escalate differences with some GOP state executives.

As U.S. Crime Problem Gets Bigger, Size of Officers Gets Smaller

By HAL BOYLE

NEW YORK (AP) — Jumping to conclusions:

As America's crime problem gets bigger, the size of its policemen seems to be getting smaller. You don't see so many 6-foot-plus, 200-pounds-plus recruits. Maybe they feel it safer to play pro football.

No matter how bad the day is, you always feel better after passing a group of kids skipping rope to a childhood chant.

What is justice? Anybody who has ever been foolish enough to get mixed up in a lawsuit knows what justice is. It's what the other fellow got—and he didn't.

There are a number of good reasons for marrying a woman for her money, but one overriding reason not to—it usually doesn't pay.

Life is like baking bread—the more the heat, the crustier you get.

The way inflation is going today, a man who hasn't a nickel to his name isn't a helluva lot worse off than one who has.

LITTLE ROCK (AP) — A preliminary proposal for a major reorganization of the state government has been prepared for apparent consideration by Gov.-elect Dale Bumpers.

The proposal, described as being in "rough draft" stage, would make about 65 agencies, boards and commissions, divisions or components of 13 major state departments. The constitutional agencies would not be affected.

The reorganization draft apparently is similar to a plan proposed several years ago by Dr. Max Milam, now director of the state Administration Department.

Under the plan, the Departments of Administration and Revenue would be merged into the Department of Finance and Administration. The state Racing and Alcoholic Beverage Control Commissions would be made divisions of the larger department, along with divisions which are now parts of the existing agencies.

The ABC enforcement division, however, would become a division of a new Department of Public Safety, which would have as other divisions the State Police, the state Civil Defense and Civil Air Patrol.

Acquits Youth of Interfering With FBI

LITTLE ROCK (AP) — U.S. District Judge G. Thomas Eisele Tuesday acquitted Charles H. Glover, 19, of Widener on a charge of intimidating the interfering with an FBI agent.

Glover had been accused of interfering with FBI Agent George B. Stewart on June 10 at Forrest City while Stewart was performing his official duties.

A jury found Glover guilty on Oct. 15, but Eisele set aside the verdict. He said Glover had not used any force and that federal law does not protect federal law enforcement officials from non-forceful intimidation or interference.

Stewart testified the alleged intimidation stemmed from an interview he had with Glover on June 10 about Ku Klux Klan activities in the Forrest City area.

The agent said Glover cursed him and placed a sticker on his car that read: "The Ku Klux Klan is Watching You."

TV Personnel Changes Made

LITTLE ROCK (AP) — Tom L. Goodgame, vice president and general manager of television station KATV here, will become general manager of station KTUL in Tulsa, Okla., according to Robert Doubleday, president of Leake TV, Inc., which owns both stations.

Goodgame will succeed Arthur E. Muth, who resigned to join the Edward Petry Co., a New York-based television representative firm.

Douglas to Stay on High Court

WASHINGTON (AP) — Justice William O. Douglas said today he intends to stay on the Supreme Court and he called on young people "to keep the faith" by fighting, through the law, for civil rights.

At an unusual news conference, the white-haired justice said he has always been proud to be a member of the Supreme Court. He said he had freely made all his files available to a special House committee investigating his behavior and now that it has "performed its constitutional duties ... I will try to continue to perform mine as a member of the Court."

The committee concluded there are no grounds for impeaching Douglas. Some House conservatives, who have been firing at the 72-year-old justice for months, are expected to resume their attack next year when the new Congress convenes.

Price Hike Protests Touch Off Rioting Behind Iron Curtain

WARSAW (AP) — Six persons were killed and scores more injured in two days of rioting over price increases in the northern Polish city of Gdansk, the Polish Press Agency reported today.

Rioting also was reported in the nearby Baltic cities of Gdynia and Sopot.

The protests against price rises set off street battles, arson and looting on Monday and Tuesday in the first major disturbances reported in Poland since early 1968.

Militiamen were patrolling the cities' streets and the governor of Gdansk broadcast appeals for calm.

All flights from Warsaw to Gdansk were cancelled. Telephone operators refused calls to the area.

Radio Gdansk made a further appeal for calm and urged the people of Gdansk, Gdynia and Sopot not to hoard food.

"All efforts are being made to make life and work normal," said the broadcast. "By adequate measures the authorities are securing order. Following our appeal, shops have resumed work and are striving to meet fully all basic needs of the populace."

"There is no, repeat no, need to hoard excessive quantities of foodstuffs. The shops will have full supplies to satisfy the needs of the population."

In Hamburg, West Germany, shipping sources reported that about 20 vessels with cargo destined for Gdansk were not permitted to enter the harbor. Polish authorities gave no reason for denying entry.

House Quickly Approves SST by Fulbright, Block

By JIM ADAMS

Associated Press Writer

WASHINGTON (AP) — If Senate opponents of the Super-sonic Transport go through with a threatened filibuster, SST backers plan to maneuver them into the blame for blocking other important Senate business.

Anti-SST forces led by Sen. William Proxmire, D-Wis., have said they will talk as long as necessary—even to the end of the current lame-duck session of Congress—to kill a compromise allotting \$210 million for SST development this year.

The compromise came out of a Senate-House conference and the House approved the appropriation measure by a 319-71 vote Tuesday.

The Senate earlier voted 52-41 against \$290 million for the plane, which would kill the SST program, and Proxmire said, "we believe we have the power" to filibuster the compromise to legislative death.

He said the filibuster would be solely against the SST and plane opponents would seek to suspend it frequently to permit Senate action on other bills.

But the SST bill's floor manager, Sen. Alan Bible, D-Nev., said he does not intend to put the appropriations measure aside for any other measures until it comes to a vote.

That would force the SST critics into the position of blocking dozens of major bills, including welfare and Social Security, which most of them favor, with their filibuster against the plane.

northwest Polish city of Szczecin said 150 militiamen had been injured, some very seriously, in the fighting that began Monday, and that public buildings had been set afire.

The Swedish Consulate in Gdansk reported at least one death.

"Passenger cars, trucks, stores, shops and kiosks were destroyed," the Szczecin broadcast said. "In view of continued aggressive behavior and attacks, the bodies of public order used arms in self defense."

Special Yule Project by Hope Students

This year, as a special Christmas Project, the Hope High School Student Council is sponsoring Operation: Goodwill.

This unprecedented project has as its goal - Spread Happiness to as many deserving children as possible. A list of around sixty (60) children was obtained from the Elementary Schools and the Hempstead County Day Care Center.

Children were selected on basis of need and character. Each child wrote a letter to Santa Claus and Santa has received the letters, and will personally deliver the toys at the Operation: Goodwill Christmas Party at 2:00 p.m., December 23rd, in the old gym at the High School.

Besides meeting Santa personally, these children will receive refreshments, participate in various games, be entertained by the HHS Stage Band and Madrigal Singers of the HHS Choir, and hear the true story of Christmas from the Rev. Norris Steele, Pastor of the First United Methodist Church with the help of Jim Hart, music director of the First Baptist Church. Student Council members will make and fill Christmas stockings with toys, candy, and fruit.

A very successful program is expected because of the dedication and hard work of the student body of Hope High and clubs such as the Lions Club, who donated \$400.00 to this worthwhile project.

Senate Doves, Headed by Fulbright, Block Aid to Cambodia Bill

AP News Digest

By H. L. SCHWARTZ III
Associated Press Writer

WASHINGTON (AP) — Senate doves have blocked temporarily further action on providing aid to Cambodia, claiming the Nixon administration seeks not money but a "political instrument like the Gulf of Tonkin resolution."

"We ought to be very careful about going down that road a second time," said Sen. J.W. Fulbright, D-Ark., in referring to the 1964 legislation that opened the way to escalation of the Vietnam war.

Fulbright, chairman of the Foreign Relations Committee, teamed with Sen. Mike Gravel, D-Alaska, Tuesday to block action on a \$550-million foreign aid bill despite a set of tight restrictions.

Vietnamese Push Deeper in Cambodia

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — Thousands of South Vietnamese paratroopers have pushed 40 miles into Cambodia today, trying to break a North Vietnamese stronghold on the Cambodian government's northern front.

"The aim of the operation is to relieve the pressure on the Cambodian provincial capital of Kompong Cham," South Vietnamese military headquarters said.

Kompong Cham has been under siege for several months. Cambodia's third largest city, it lies on Highway 7 along the Mekong River, 47 miles northeast of Phnom Penh and 120 miles northwest of Saigon.

Field reports said 2,500 of South Vietnamese army's best troops were landed by waves of helicopters into rubber plantations northwest of Kompong Cham on Monday. A communiqué said the paratroopers met little initial resistance, and a spokesman said two minor contacts were reported Tuesday with four North Vietnamese killed and one paratrooper wounded.

The South Vietnamese spokesman said it appeared that a sizeable North Vietnamese force that earlier had been reported in the region had pulled back for the time being, thus accounting for the light contact.

Two joint forces of South Vietnamese and Cambodian troops were reported moving from west and east in an attempt to clear the 32 miles of Route 7 west of Kompong Cham to the district town of Skoun.

A linkup was expected soon.

Only small clashes were reported across South Vietnam. U.S. officials reported an American was killed and five wounded when two helicopters were shot down and another was hit by enemy fire.

Three Trailway buses were being driven to Shreveport, La. yesterday afternoon and one failed to negotiate the curve at Third and Shover and knocked down a sign in Patterson's service station. Officers said a tie-rod end apparently came loose in the new bus which had small damage to the front end.

Herman G. Reyenga, son of Mrs. J. W. Reyenga and the late Mr. Reyenga of Emmet, who is head of the FAA Air Traffic Control Facility RAPCON C-5T and local coordinator for all FAA functions in Shreveport, La., was presented a special achievement award at ceremonies recently in Houston. He was given a certificate of commendation and a cash award by W. E. Peterson, manager of the FAA area office in Houston, for efforts to improve air traffic control concepts and devotion to duties connected with facility management and other job related requirements.

Nancy Ross of McCaskill was among the students of Esther Mills Wood who were recently presented in a recital at the teacher's home in Texarkana to commemorate the 200th birthday of Beethoven.

Benny Gorz, son of Mr. and Mrs. J. C. Gorz of 502 Washington Ave., Hope, was elected historian of the newly organized Southern State College chapter of Sigma Lambda Pi, engineering fraternity, recently. Members plan several fund raising projects. Gorz is a 1970 graduate of Hope High School and is a freshman accounting major at Southern State.

Terrorist Grenade Hits Navy Billet

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — A terrorist threw a hand grenade at a soda stand outside a U.S. Navy Seabee billet tonight, killing at least three Vietnamese and wounding about 30 American servicemen and Vietnamese civilians.

Investigators said the terrorist was believed to be a Viet Cong who escaped. He hurled a fragmentation grenade. Military doctors treated the wounded at the U.S. 3rd Field Hospital, a few blocks away. They said half the wounded were Americans.

The blast wrecked one car and several motorcycles and left the area littered with glass.

It was the second explosion in Saigon in two nights. A 30-pound bomb ripped through a U.S. officers' hotel Tuesday night, wounding two Americans and two Vietnamese.

Fifteen miles northeast of Saigon, enemy gunners shelled the big Bien Hoa air base. Field reports said either rockets or mortars hit the base but there were no casualties. Damage was said to be light.

U.S. authorities said they expected stepped up Viet Cong terrorist attacks and shelling this week to mark historic Communist holidays during the next few days.

Saturday is the 24th anniversary of National Resistance Day when the Vietnamese attacked French forces in Hanoi on Dec. 19, 1946, marking the beginning of the Indochina war. Sunday marks the 10th anniversary of the formation of the National Front for the Liberation of South Vietnam, the political arm of the Viet Cong.

The Viet Cong's military high command has called for stepped up attacks against American and South Vietnamese troops and military installations.

On the fighting fronts, thousands of South Vietnamese paratroopers pushed 40 miles into Cambodia, trying to break a North Vietnamese stronghold on the eastern anchor of Cambodia's northern defensive line.

Skies Expected to Clear in Arkansas

By THE ASSOCIATED PRESS
Skies across Arkansas were expected to clear from the west this afternoon with fair skies and slightly warmer temperatures forecast for Thursday.

Moderate showers were continuing this morning in the northeast quarter of the state and drizzle or very light rain was still falling in the central and northwest portions.

The largest amounts of rainfall occurred in a band extending from the southwest corner of the state to the northeast. Amounts of more than one and one-half inches were common in the area.

The rain was expected to end as a low pressure center located this morning over Eastern Arkansas continued moving east.

A thick cloud cover and cold rain held temperatures Tuesday generally in the 40s Tuesday. Highs today were forecast in the upper 40s to mid 50s with temperatures mostly in the 50s Thursday. Low tonight are expected in the mid 20s to mid 30s.

**UN General
Assembly
25 Years Old**

By TOM HOGE

Associated Press Writer
UNITED NATIONS, N.Y.
(AP) — The U.N. General Assembly today winds up a session at which it marked its 25th birthday and saw Red China come closer than ever before to winning a seat in the world forum.

It was a session in which the Asian-African group threw their considerable numbers into a drive to isolate South Africa and Portugal and eventually drive the white supremacist regimes out of the United Nations.

Communist China got a foot in the door this year with a 51-49 vote endorsing membership for the Red regime. But there were 25 abstentions, and Peking was blocked by the usual U.S. resolution requiring a two-thirds vote for entry.

The surge in support for Peking brought acknowledgment from the United States that a new situation existed and that Washington was reappraising its position.

The emphasis in American speeches at this session was on keeping Nationalist China in the United Nations rather than on keeping the Communists out, and many delegates predicted that Washington next year would abandon its insistence that Chinese representation is an "important question" requiring a two-thirds majority for approval.

The agenda this year included 11 items dealing with race segregation in South Africa, colonialism in Portugal and white rule in Rhodesia. The assembly adopted six resolutions calling for a propaganda campaign against apartheid in South Africa, including preparation of special documents on the subject by Secretary-General U Thant and weekly broadcasts by the Organization of African Unity in cooperation with the United Nations.

In the field of disarmament, the assembly called on member nations to ratify a draft treaty banning nuclear weapons from the ocean floor.

The assembly also called on the United States and the Soviet Union to cease deployment of nuclear weapons systems as an aid to their strategic arms limitation talks (SALT).

Another resolution called for suspension of nuclear weapons tests, both in the atmosphere and underground.

The United States hailed passage of a resolution which it hopes will help Americans held prisoner by North Vietnam. The resolution, plainly aimed at Hanoi, threw U.N. support behind efforts of the International Red Cross to obtain compliance with the Geneva conventions on treatment of prisoners.

Turning to the rash of plane hijackings that have plagued governments on both sides of the Atlantic, the assembly

Turning to the rash of plane hijackings that have plagued governments on both sides of the Atlantic, the assembly called on all countries to crack down on aerial piracy by punishing or extraditing perpetrators.

In an attempt to interest youth in helping developing countries, the assembly approved the establishment of an international volunteer youth corps patterned after the U.S. Peace Corps.

**Victim Links
Negro to Rape**

LITTLE ROCK (AP) — The second woman allegedly raped by a group of Negroes on an Arkansas River sand bar May 29 testified in Circuit Court here Tuesday that Clarence Lee Bruce, 18, of Little Rock was one of those who assaulted her.

Another woman who allegedly was raped by the group had said Monday that Bruce was one of the attackers. Bruce is on trial for his life in connection with the alleged incident.

The state rested its case against Bruce Tuesday and the defense called several character witnesses to testify in Bruce's behalf. Among them were Jon Richardson, the Arkansas Razorback football player, and Dr. Jerry Jewell, president of the Arkansas chapter of the NAACP.

Both testified that Bruce was a typical youth who had played football in high school and participated in Little League baseball. Jewell said Bruce had a "high degree of rationale as to right and wrong."

Meaning of Christmas

—Velora Bright photo with Star camera

MRS. JAMES R. ROBERTSON

"The meaning of Christmas is found in a gift of love," Mrs. James R. Robertson told the Hope B & PW Club Thursday, December 10 at the Diamond, when she related the story, "The White Kid Gloves," at a Christmas party. She appeared amidst festive decorations of

berries, elves, candles, a twinkling tree, and red carnations that were a holiday gift from the Citizens National Bank.

In addition to the members, several guests were at the Christmas meeting. They included Mrs. Franklin Turner of Kilgore, Tex., Mrs. Coy Breeding, Mrs. Rudy Fick, Mrs. Dorsey Huckabee, Mrs. Garland Dillard and Mrs. Robertson.

The president, Mrs. Mary Andrews, dispensed with most business matters for the evening. Mrs. Virginia Hosmer announced that the Nike Club would meet at 6:30 p.m. Tuesday, December 15 in the City Hall courtroom and urged as many as possible to the B & PW members to attend.

Two Christmas words contests were held, and prizes went to the winners, Mrs. Robertson and Mrs. Charlotte Gibson. With Mrs. Evva Reynerson at the piano, the group sang a few Christmas Carols and concluded with "White Christmas" and "Jingle Bells."

Dressed in red and white, a Santa's helper named Mary distributed the gaily wrapped packages to the happy group. The committee which made arrangements for the party was headed by Mrs. Dee McMurrough.

Californian Added to Broyles Staff

FAYETTEVILLE, Ark. (AP) — Arkansas Coach Frank Broyles said today he had hired Joe Gibbs away from Southern California to coach the Razorbacks' offensive line.

Gibbs, 30, has been an assistant at USC for two years. Mervin Johnson, who coached Arkansas' offensive line since 1962, has taken over as Broyles' defensive coordinator. Johnson succeeds Charley Coffey who recently accepted the head coaching job at Virginia Tech.

"I am delighted to add Gibbs to our staff," Broyles said. "He is a brilliant young coach and has been working with our kind of offense."

Gibbs said he wasn't looking for a job and was surprised when contacted by Broyles. "I was very pleased to accept because it's known throughout the nation what an excellent situation exists at Arkansas," Gibbs said. "I feel I should fit in well at Arkansas because my ideas appear to be the same about offense. I believe in a balanced attack, as does Arkansas."

Gibbs played football, baseball and basketball in high school at Whittier, Calif. After earning all-conference honors at Cerrito Junior College as a tight end, he transferred to San Diego State. Gibbs joined the San Diego State staff after ending his playing career and coached the offensive line when the school put together two unbeaten seasons.

Gibbs and Don Breaux, Arkansas' offensive backfield coach, handled Florida State's offense in 1967 and 1968 when the Seminoles went 7-2-2 and 8-3. Gibbs then took a position at Southern Cal and coached the Trojans' line through a 10-0-1 season in 1969 and a Rose Bowl victory over Michigan. USC was 6-4 this year and finished fifth in the nation in total offense with 450 yards a game.
